

Wrapped In Kindness - Pet in Need

February/March 2006

Charm was born on Halloween with her 10 siblings. At the tender age of six weeks, they were taken away from their mother and 7 of her brothers and sisters died of exposure after being taken away from their mom. The junk yard owner who had the puppies said "If they aren't out of here by the weekend, I'm going to use them for target practice."

Thank goodness for a warm-hearted worker who contacted his sister for help. That call reached rescue and the surviving puppies (two boys, two girls) were rescued by True Hearts of Rottweiler Rescue.

Once in the safety of rescue, and examined by the vet, three of the four puppies found their way to wonderful new homes.

But what about Charm? Charm isn't as lucky as her siblings. She needs to have a kidney removed to stay alive and she needs your help.

Her upcoming surgery will cost some where between \$1,500-2,500.

She has the personality to warm your heart and put a smile on your soul. Your contribution today will help give her the happy, healthy life she deserves.

Won't you please help Charm?
